Exhibitors may ship display material to the hotel provided everything is properly marked as being associated with the North Carolina Public Transportation Conference. If you have any questions you may contact the sales and catering office at 1-910-343-6172. Vendors may ship items to the hotel starting three (3) days in advance of the set up date. There is specific information needed on all shipments that will allow the hotel to serve the group and the vendors more effectively. The information is as follows:

Name (this needs to be the person who will be working the booth/table)

Company Name

Phone number (for the name of person working the booth/table)

Name of Conference (North Carolina Public Transportation Conference)

Date items will be retrieved

Name of Hotel contact (this will be the Catering Sales Manager)

Vendors may use the Hilton's dock to ship packages out after the event concludes. The Hotel provides a vendor shipping form that must be filled out by the sender. The sender must set up shipping with the shipping company of their choice, and have the labels filled out (including account number) and attached to packages to be shipped. The Hotel must be notified before a vendor leaves his / her package(s) so that we may be sure we have all of the necessary information for shipping. Any package(s) left in storage for five (5) or more days will incur a \$5.00 storage fee per package per day.
